

# MOVING FURNITURE PREPARATION CHECKLIST

---

## Before Your Moving Date

- Confirm your moving date \_\_\_\_\_
- Measure doorways, hallways, and staircases
- Identify large furniture that requires disassembly
- Book your furniture disassembly service early
- Arrange a removal company or transport provider

## Preparing Your Furniture

- Empty wardrobes, drawers, and storage units
- Order details or receipt available
- Remove fragile or loose items

## Preparing Your Furniture continued:

- Take photos of complex furniture before dismantling (helpful for reassembly)
- Keep all manuals if available
- Label furniture parts if dismantling yourself

## Hardware & Fixings

- Place screws and fixings into labelled bags
- Tape hardware bags securely to the relevant furniture
- Label furniture parts if dismantling yourself
- Keep specialty tools in a safe place

## Moving Day Readiness

- Ensure clear pathways for movers
- Protect flooring if necessary
- Reserve parking where possible
- Keep essential items easily accessible

## Planning Reassembly

- Decide where furniture will go in your new home
- Book a professional reassembly service in advance
- Allow adequate space for installation
- Dispose of unwanted furniture responsibly
